Crochet for Beginners Marta Stitch 2020-05-16 If you are a beginner, a crochet pattern can certainly look like a foreign language. The first step in learning how to crochet is to learn the basics of crochet. When mastering a very basic crochet needle, there are a few easy-to-learn crochet needles like basketball points, popcorn points, and checkerboard prints! Here, in this book, you will get an insight into all of the things you need to know about the hobby of crochet. The book gives detailed explanations and instructions, as well as images of all the steps you need to know to become a successful crocheter. So, no matter if you are just a beginner or have some experience in crochet, you will learn some new things from this book, and you will improve your crochet skills once you go through this book and practice it the presented steps. You will first learn how to do the most basic stitches, and then you will move forward to the more complex, but still doable stitches. The basic stitches are basic because they are the most commonly used ones, and using only those stitches can lead to extraordinary resulting products. However, there are times when the patterns require some other kinds of stitches. Also, you will find some tips and tricks that you would probably learn over the course of years of crocheting, but it is way better when someone tells you their mistakes in advance so that you don't make them. I hope that you

will find crochet very satisfying because of all the relaxation and the outcome it gives. Also, I hope that once you learn and acquire the skills, you will use them throughout your life because skills like these don't disappear, with years, you feel the urge to learn more things like these because they help you cope with so many things in your life that the experience itself is priceless. This book covers the following topics: ✓Background of crocheting ✓How to read stitch patterns? ✓Crochet tools and materials ✓Understanding the crochet hook ✓Types of crochet ✓Tips to get started ✓How to work crochet for right-handed people ✓How to work crochet for left-handed people ✓Basic crochet stitches ✓More basic crochet stitches ✓Some expert crochet stitches ✓Ten most common mistakes in crochet ★... And much more Create your own history with crochet and pass it on to your family and other loved ones. I well remember sitting at my grandmother's knee while she taught my brother and me how to crochet, taking the time to correct us when mistakes were made and applaud us for our successes. Too little time is taken today to hand down traditions to families, so perhaps this is one you can start. Take the time and make it something special. Remember, this is a true form of hand needle-art that has been used for generations. Why let it end in our generation? What a shame it would be that our future could exist without the loveliness of crochet. Be creative. Pass it on. Become part of living history. Be a part of your family's history, and leave them those heirlooms and legacies they deserve. I wish you all happy crocheting! Ready to get started? Click "Buy Now"!
